declare under our sole responsibility that the product with Unique Identifier:

Product name: LTL3500
Trade name: DELTA
Type or model: LTL3500

to which this attestation relates is in conformity with the essential requirements and other relevant requirements of 47 CFR FCC Part 15.

The product is exempted from other specific FCC rule parts than the general rule parts 15.5 and 15.29 pursuant to specific rule part 15.103(c), as it is intended solely for use as industrial test equipment. However, the product is verified according to the specific rule parts:

47 CFR Part 15B, subpart 15.109 (Class B)

The equipment is accredited safety test with the internationally harmonized safety standard:

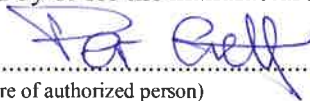

IEC 61010-1:2010+A1:2016

Supplementary information: The equipment incorporates a modular transmitter module with a 2.4 GHz Wi-Fi and BT with FCC ID 2AIG4-MOD1, which may be used in handheld portable exposure conditions with no closer than 80 mm to the host platforms.
